DESIGN CONTEST

# Dream it, Draw it, Win it!

Use the Contest Design Template on the following page to draw your Solar StarLight Dream Design!

All drawings must stay within the dashed rectangle, which indicates the area of the StarLight that may be decoratively laser cut.

When finished adding your Dream Design to the blank Contest Design Template (attached) save a copy as a .jpg file format.

Go to [solarstarlight.com/contest](http://solarstarlight.com/contest) to fill out a contest entry form and upload your completed **Dream it, Draw it, Win it!** Contest Design Template (.jpg) file.

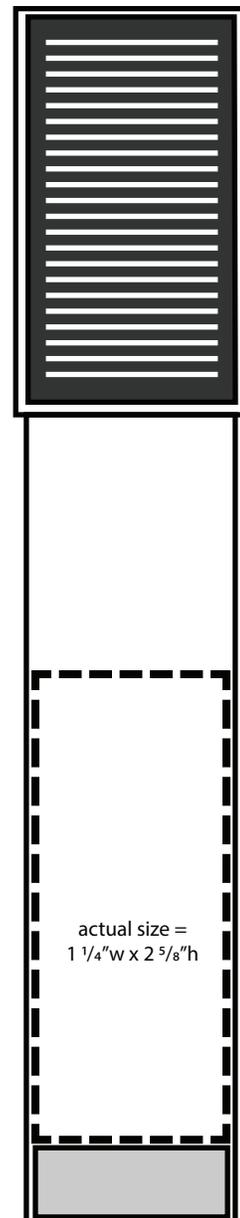

**Good Luck and we look forward to seeing your StarLight Dream Designs!**

In order to produce your design, here are some tips to make your design more successful.

Keep the design simple, complex designs will have to be modified to a greater extent

Give the laser room to cut away metal

Here is an example of a design that is too complex vs one that works
